	Name of site (as popularly known)	NPPF 1 - Close proximity to community (yes/no)	NPPF 2 - Demonstrably special to a local community					NPPF 3 - Extensive Tract of land?	Ownership - Owner aware?	Is this site allocated for any other use (yes/no)	Public access		Recommendation	Comments
			Beauty/ Amenity value (yes/no)	Recreation (yes/no)	Historical (yes/no)	Tranquillity (yes/no)	Wildlife (yes/no)					Score		
LGS1	Donkey Field	1	5	0	1	3	2	0	1	1	0	14	Designate	A medium sized open field. Used by local resident to graze Donkey's. Provides valuable visual amenity, and is an important historical feature of Morland Village. In Spring the field is full of wildflowers, which extends into the Summer, attracting many different pollinators, including sitings of a rare breed of Moth. Vistiors, walkers and cyclist regularlry stop on the Becksde to admire the view of the field in full colour
LGS2	The Becksde	1	5	5	1	3	2	1	1	1	1	21	Designate	Land along both sides of Morland Beck. Owned and maintained by Morland Parish Council. It provides an important wildlife space, and is used as a recreation space for residents. The Becksde is an important historical feature in Morland Village. The Becksde is used regularlry for community events. Wild flower planting and maintenance regularly undertaken. Otters and Kingfishers are often observed utilising the Becksde. The Beck is also host to rare Crayfish.
LGS3	Drying Feld	1	2	5	0	3	0	0	1	1	1	14	Designate	A strip of land situated off High Street. It provides an important recreation space for local families and hosts community events. This site is very contained, and therefore an excellent safe space for children, being utilised regularly for this purpose.
